

AT FUNDamentals:  
Helping Others Through  
Learning

*The AT Expo Scholarship Fund Committee invites you to attend a day of learning about the exciting world of Assistive Technology. The seminar will have five sessions for you to attend and will provide you with the latest AT information on a variety of topics.*

*Not only will the information that you obtain from the sessions assist you with helping your clients, students, family, etc, but you will also be assisting others. The money raised from the seminar in Charlotte will assist the Scholarship Committee in sending individuals and their families to the AT Expo.*

# Helping Others Through Learning

PAT (Partnerships in Assistive Technology) sponsors the annual AT Expo in Raleigh. The Expo Scholarship Fund Committee was created to raise money so that individuals with disabilities and their families are able to attend the AT Expo.

This year the committee has decided to host an exciting one-day training in Charlotte to help raise money for the Fund. By attending the event, participants will not only learn about the latest information on AT but will help send individuals and their families to the Expo.

CEUs will be available.
